

BAYLEYS

 Bayleys
Foundation

Community
matters

Giving back is part of Bayleys' culture and values - it's what we do.

Bayleys is very much part of local communities throughout New Zealand and the Pacific.

Corporate philanthropy is more than just giving back to a community - it's about contributing to long-term social change, and we take that responsibility very seriously.

By contributing time, resources and money to the right causes, we know we're helping to grow strong and supportive communities.

Our aim is to assist in the four pillars of the Bayleys Foundation; environment, people, sport, arts and culture and have the Bayleys' team around the country embrace these undertakings with heart and commitment.

Our elite partners

Bayleys is committed to three elite partner causes - Cure Kids, Live Ocean and The King's Trust. We are also a corporate sponsor of the New Zealand Green Building Council. Supporting these causes allows us to help make a difference to long-term change.

ELITE PARTNER

Cure Kids

Lucca is a cancer survivor. At just 16 months old, she was diagnosed with a rare and aggressive cancer.

Cure Kids focus on raising funding to enable high-impact, New Zealand-based medical research to help save, extend and improve the lives of children diagnosed with serious life-impacting and life-limiting health conditions.

We believe through our support we can help to shape and vastly improve the way children who live with serious diseases and health conditions are diagnosed and treated.

Cure Kids' funding supports researchers across New Zealand whose work focuses on childhood cancers, inherited heart conditions, epilepsy, infectious diseases, cystic fibrosis, sudden unexpected death in infants (SUDI), stillbirth, burns as well as child and adolescent mental health – and many other areas of research.

Cure Kids is the largest funder of child health research outside the government. They work hard to support the best research possible to make a measurable difference to the health and well-being of children in New Zealand.

As a Bayleys Foundation Elite Partner, we are proud to help make this work possible.

Live Ocean

LIVE OCEAN
FOUNDATION

Photo credit: Gareth Cooke-Project Kahurangi.

Live Ocean Foundation was established by sailors Peter Burling and Blair Tuke in 2019 to help scale up action for a healthy ocean.

Live Ocean Foundation supports exceptional marine scientists, innovators and communicators who play a vital role in the mission for a healthy ocean and a healthy future.

Our greatest ally in the fight against climate change, a healthy ocean is vital for a healthy future.

But it's at a tipping point, with many of the issues it faces hidden below the surface. As home to the fourth largest ocean space on the planet, Aotearoa New Zealand has a special role to play as guardians to protect it for future generations.

ELITE PARTNER

The King's Trust Aotearoa New Zealand

The King's Trust Aotearoa New Zealand is part of a global network of Trusts operating in 23 countries. Around the world, more than one-million young people have been supported by the Trust since it was founded by His Majesty King Charles III, in 1976, when he was HRH, The Prince of Wales.

In New Zealand, the Trust supports young entrepreneurs aged 18-30 through its Enterprise programme, which consists of:

- A free, and short, series of workshops which are held both online or in person
- Mentoring - specialist short burst sessions with experts or long-term connections with experienced mentors
- Financial support from the Trust's He Kākano Seed Fund - 72 youth-led businesses have been supported in the past year
- Networking - young people often want and need connections and the Trust holds events and masterclasses where alumni come together to learn from each other

"For young people, the problem was not nearly the lack of opportunity represented by joblessness but the feeling that they were being left behind and it was clear to me that we should do something to try to make a difference."

HIS MAJESTY KING CHARLES III

Supporting the Bayleys Foundation

Every transaction conducted at Bayleys Real Estate supports the Bayleys Foundation and its charitable initiatives.

If you'd like to know more about the Bayleys Foundation, we'd love to hear from you.
