

DISCLOSURE STATEMENT (PUBLICLY AVAILABLE INFORMATION)

Our Licence status and conditions

Bayleys Real Estate Limited (FSP773133) (**Bayleys, we or us**) is a financial advice provider that is authorised to provide a financial advice service under a licence issued by the Financial Markets Authority. That licence is held by Financial Advice Provider Group Limited (FSP773191).

Nature and scope of our financial advice service

The Bayleys Syndications & Investments Team (**BSI Team**), which is engaged by us, markets and sells shared property ownership products (**Products**). The Products are typically units, or debt or equity securities, in a property-owning fund or vehicle. The underlying assets owned by the fund or vehicle are typically Australian and New Zealand commercial property. A fund may be established to own only a single, identified property asset or group of property assets or may be structured as a managed investment scheme, where the manager purchases a single, identified property asset or group of property assets and may also be authorised to use investors' funds and other fund income to make further property investments over time.

The Products are generally issued by Centuria Funds Management (NZ) Limited (**Centuria**) or its subsidiaries (but may, from time to time, be issued by other entities).

Although we are a registered financial advice provider, in general the members of the BSI Team **will not give you a recommendation or opinion about whether or not to acquire a Product (financial advice)**.

Their role is to:

- provide you with a copy of the relevant Product Disclosure Statement (**PDS**) or other offer document and other approved messages which relate to the offer;
- provide you with general, factual advice about investing in shared property ownership products or the specific features of a Product or offer; and
- pass on to you the recommendations or opinions of Centuria or the relevant issuer,

using information from the approved PDS or other offer document, or otherwise provided or approved by Centuria or the relevant issuer (**Permitted Communications**).

If you wish to discuss an aspect of the Product or offer which may fall outside these Permitted Communications, you will be referred to one of the members of the BSI Team who is qualified to give financial advice (each an **Adviser**).

However, no matter who you speak with, it is important to remember that no member of the BSI Team, including the Advisers, will ever:

- **take into account your personal financial goals and circumstances; or**
- **provide you with advice or information about other products available on the market, or compare the Products with any of those products, for that purpose.**

GIVEN THESE LIMITATIONS, WE ADVISE YOU TO SEEK INDEPENDENT FINANCIAL ADVICE THAT TAKES ACCOUNT OF YOUR PERSONAL FINANCIAL GOALS AND CIRCUMSTANCES BEFORE DECIDING WHETHER TO INVEST IN A PRODUCT.

Fees, expenses and other amounts payable by you

You will not pay any fee, expense or any other amount for the service you receive from the BSI Team.

If you decide to invest in a Product available through us, part of the amount you invest will be used by Centuria or the relevant issuer to meet offer costs, which include fees, expenses and other amounts. These offer costs are disclosed in the relevant offer document.

Conflicts of interest and commissions or other incentives

We receive commissions from Centuria or the relevant issuer if you decide to invest in a Product available through us. The commission amount is based on the amount invested.

We may pay part of that commission to the relevant member of the BSI Team and, if you were referred to the BSI Team by an agent of one of our real estate franchises, part of the commission may be paid to the franchise and the referring agent.

To ensure that the BSI Team takes all reasonable steps to prioritise your interests over their own interests, our interests, and those of our franchises and their agents, we make sure that the members of the BSI Team follow a **documented sales process** under which:

- communications are limited to the Permitted Communications (see above);
- you always receive a copy of the PDS or other offer document;
- you are always advised to seek independent financial advice before deciding whether to invest in a Product; and
- any discussion which has the potential to go further than the Permitted Communications is referred to one of our qualified Advisers.

We also have a conflicts of interest policy in place, and BSI Team receives training on conflicts management and good conduct in general.

We audit compliance with our sales process, using an external auditor, and review our financial advice provider compliance programme as a whole, at least once a year.
